PIZZA GUY

First ring

- Female voice in the background.

Second ring

Raffaele - Eh, which ... Which pizza do you want?

Third ring

Pizzaguy - La Casetta, good evening.

Raffaele - Good evening. Listen, I'd like to order two pizzas, if you could deliver them to the Police Station.

Pizzaguy - Just a moment, eh

Raffaele - Yes.

Pizzaguy - So... so, tell me about the pizzas?

Raffaele - Yes, so, one Four Cheese pizza with buffalo mozzarella instead of normal mozzarella, and arugula.

Pizzaguy - Ok, so, one.... Cheeses... Also buffalo, and...

Raffaele - Obviously white.

Pizzaguy - Yes. Arugula

Raffaele - Yes.

Pizzaguy - Then?

Raffaele - The a Marin, eh, a Mediterranean.

Pizzaguy - We don't have the Mediterranean. If you tell me more or less how it is, I can try to make you a similar one.

Raffaele - Just a sec. Yes. *(He addresses a third person, female voice in the background)* Eh, something like mushrooms and sausage.

Pizzaguy - Mushrooms and sausage is the Boscaiola pizza.

Raffaele - The Boscaiola, ...instead the Casetta pizza how was it, like..., something like that, isn't it?

Pizzaguy - Sorry?

Raffaele - The Casetta pizza rather, how is it?

Pizzaguy - The Casetta pizza is basically the Margherita, that is spicy salami, sausage and Tropea red onion.

Raffaele - Ah. Ok, Boscaiola it is then. One, as I told you, Four Cheeses, white....

Pizzaguy - So.

Raffaele - Buffalo mozzarella and arugula, and the other Boscaiola.

Pizza guy - So there are two in total?

Raffaele - Yes, if you could bring them to the Police Station.

Pizza guy - Ok, but not now. Understand, we open around six and the delivery man arrives at seven thirty.

Raffaele - Ah. Really.

Pizza guy - Eh, yes, we open at six, the delivery guy is available, and anyway ready from seven thirty.

Raffaele - Eh, then ok, then nothing, because at seven (*female voice in the background smiling*)...No, that is, I think we'll already be gone at seven.

Pizza guy - Eh, I'm sorry, I don't know (meaning, I don't know what to say)

Raffaele - Oh, well, thank you, I'm sorry.

Pizza guy - Ok, thank you, good bye.

Raffaele - Good bye.

WOMAN

Woman: oh!

Raffaele: eh, Vale (sic)...

Woman: how are you?

Raffaele: I'm fine, I'm fine although I have been... these days I have been bombarded and was practically three days at the Police Station, by all means it's not that... that's to say the first night I slept at the Police Station, the... the second.....

Woman: but where, on sofas?

Raffaele: eh?

Woman: on the sofas?

Raffaele: but what sofas! I wish! On some crappy chairs, in the cold. And...

Woman: alright.

Raffaele: and, practically, nothing, they bombarded me, they busted my balls for two or three days, and I kept on going back and forth from home to the Police Station and back, then the journalists... who interviewed me, the ones from the Sunday Mirror, who splashed me across the front page in England and... and then I didn't... I obviously did not release any more interviews because I had enough, the Corriere della Sera, and the Repubblica wanted to interview me as well, some other British newspapers, then alright, what can I tell you more, more... They also called me from the States the relatives, Amanda's parents, cousins e others, thanking me for what I am doing, - - -

Woman: that means, sorry, I didn't understand, you gave an interview to the journalists? (*noise in the background*)

Raffaele: ciao... Hello?

Woman: yes, I can hear you.

Raffaele: let me understand, what?

Woman: You gave an interview to the journalists?

Raffaele: Once I gave them an interview while I was... when I was on my way home, they stopped me and said to me: we are from the Sunday Mirror, the newspaper which the father of... Meredith's father works for, the journalist.

Woman: mhm.

Raffaele: the father of the dead girl. And... and basically in conclusion they wanted because... so they presented themselves like that, I wasn't able to say no and I had the interview and after that time they phoned me home to truly bombard me. And I said... I always said after that I don't... I didn't want to hear anything about it. And...

Woman: I understand..

Raffaele: what else.... what can I say to you? Otherwise I am reasonably well, a little stressed, a little busted balls, the professor isn't replying, I sent him the thesis which I have almost completed and... in conclusion, I need to tune up the last few things, my dad then said: don't worry, because it's everything... after you will be able to explain to the professor what happened to you, he will understand.

Woman: mhm

Raffaele: I said: alright. Eh, what else can I do... Now I am going to the Post Office, but things here are such. (sigh) Eh... it's since... ok, nothing, what.. what else can I tell you... and, I don't know... I don't even know... how to behave.

Woman: about what?

Raffaele: no, all is well but there are things that... at times I say to myself: who the heck makes me do this, because... alright, that's to say the fact that... eh... Amanda, no? She tells me all about her life obviously because after I spoke with the mom, with the aunt, with her biological dad, her father because her parents divorced, I already know... I know more almost all her friends (male and female) and everything else and as she was telling me things I... there's one... there's one thing I cannot really digest, although, let's say, it's not something that you'd say, in the sense... but it... I'm kind of speechless in the sense that then I feel like saying: who the heck makes me do this! Eh, because in practice, she still feels close to her ex boyfriend, they left each other before she came over and besides eh... practically she... and how reconnecting, in July, when July will come around, before going back home she will spend a month at... in China where this.. this guy is studying. And.... I mean, that she told me - - -. Alright from now until July it's nothing, however it's not that... that.. I like this story much.

Woman: But anyway I don't know what you mean.

Raffaele: I mean that...from now on ... from now on ..., then...it makes me feel.. makes me feel, it bothers me, not because she is in touch with him, but because in any case it's a... In other words I don't know, to me it seems as if it's an open chapter.

Woman: Raffaele, you, in a few days will be going to Milan, understood? You'll find another one, so it's useless putting yourself through this mental stress

Raffaele: It's like you are saying, what can I say...

Woman: So, forget about it, it's a person you've known for a month, what the heck do you want, are you mad! No, that you feel attracted to her....

Raffaele: No, it's not what the heck I want, it's that in any case... that is, it wasn't my intention to end the story like this, because of that.

Woman: Your intention isn't of.. And intentions are one thing, reality however is something else, it may be that it doesn't go this way, but it may be that it does.

Raffaele: I understand.

Woman: Alright. So think about it, in any case now think that you need to go from there, because now that this happened and you're there, I don't feel relaxed. And... and then will think about the rest.

Raffaele: Alright.

Woman: Ciao. Let me know at what time it is...the graduation, because I need to know.

Raffaele: Anyway, I told you it's will be in the morning.

Woman: what?

Raffaele: I told you it's in the morning, - - -

Woman: yes, you need to let me know the time.

Raffaele: they start at nine, then they go one by one until it's my turn. And I don't know when my turn will be.

Woman: Ok, try to let me know the time. Ciao. Oh?

Raffaele - Ehy, Urte.

Urte - How is it going? Everything ok?

Raffaele - Let's say so. Tell me.

Urte - What did you do?

Raffaele - No, nothing, these days, I'm in pieces, because I've spent three days at the Police Station.

Urte - The Police Station? What happened?

Raffaele - No, because my girlfriend and I have found..... And, the girl who died, Meredith, is the roommate of

Urte - God, but what the heck are you saying? The one who was in the News, aaa...

Raffaele - Yes, right on.

Urte - Madonna, that's heavy! I'm sorry. But is the girl... I mean, and your girlfriend lives, she's the one who lived with her?

Raffaele - Yes yes.

Urte - Really, in the same house?

Raffaele - That night she slept at my place, then we went to her house in the morning and we found everything.

Urte - Ah, but you found them?

Raffaele - Mm mm.

Urte - Dio chico (expression meaning 'by golly') what the heck are you saying? How is it going, but.... Madonna, what a heavy scene that must have been.

Raffaele - I have not witnessed the scene because the door was locked with the key and I waited for the police.

Urte - Ah, I understand.

Raffaele - I then moved further away as I didn't want to see.

Urte - No, no, that was well done. Mado', (expression, short for Madonna) but think. That is, I heard it on the News this thing, but I would have never had, never would I have linked, understood, your American girlfriend, this too.... Madonna, what a story. How is it, everything ok?

Raffaele - Eh, yes, reasonably good, a little stressed, because they have....

Urte - (- - -)

Raffaele - They have busted my balls enough at the Police Station

Urte - and, alright, I believe it, they interrogated you, things such as these, right?

Raffaele - Yes.

Urte - Madonna, what a story! But where are you?

Raffaele - Now I am at my place.

Urte - Eh.

Raffaele - And we are eating.

Urte - What?

Raffaele - We are eating, my girlfriend is also here.

Urte - I understand. Now with graduation, it has taken time away from studying, this thing has.

Raffaele - Eh, yes, alright, but anyway, in the sense, the thesis I have, I have practically completed it.

Urte - I understand I understand.

Raffaele - Eh, now, now I'm waiting for the professor to let me know what else I'm supposed to do and ... Anyway, that is, I will tell him how this all thing went, I think he will also understand a little.

Urte - Eh no, ok, certainly, for sure. Oh, ok, c'mon it's nothing really, now I have come back here....

Raffaele - the fifteenth, the fifteenth remember it's my Grad, eh?

Urte - the fifteenth, I remember it, yes chico (expression, read as Kiko), you think?

Raffaele - Ok.

Urte - Eh, c'mon, nothing, now I live up here... C'mon, if it is we'll see each other even later. Why, what do you have to do? These days I have bugger all to do, understood? I don't have to study so I simply roam around.

Raffaele - I understand, if you'd like to come by for a coffee, no problem, let's talk, let's see.

Urte - Eh. C'mon, if it's later I will come by, eh, I will call you back anyway, ok.

RAFFAELE SOLLECITO

Raffaele: Hello? Hello?

Francesco: eih!

Raffaele: dad...

Francesco: So, this morning I sent you even the card, there... to the new ATM.

Raffaele: Yes.

Francesco: I sent it to you via Courier Mail. Then, tomorrow morning the letter will leave but it will surely reach you the day after tomorrow. I gave them also your Cell # so that, if they don't find you, they can contact you anyway.

Raffaele: Ok.

Francesco: Is it all right?

Raffaele: It's alright.

Francesco: Then this afternoon I will let you know....because I didn't manage to talk to those of the of the Catholic, there, when they will credit you with... this month's rent, because up to today, until this morning at least when I myself checked, the credit had not reached you, so eventually we'll know what to do, that is if they tell me they put it through and you receive it tomorrow there are no problems, understood? For the rest, look that at the... at your Graduation Eli will also come .. that eh... Nanni comes from... from ... what's its name there....from.. from Rome with auntie Dora, auntie Mara, these things, you know... while Eli will come with us because she comes from Giovinazzo.

Raffaele: I understand.

Francesco: Are you following me?

Raffaele: Yes.

Francesco: the problem is I was thinking how to arrange for her sleep because she will leave again immediately after lunch, together with Mara who needs to be back soonest because, as Simona already mentioned to you, Friday she needs to be back at school, but to sleep the Wednesday night, I thought she could spend the night by you.

Raffaele: Ah.. eh...

Francesco: Even if you... even if she stays...what is her name, hers... this girl who sleeps with you during this period, nothing happens, because, I don't know, you sleep with this girl in your bed and Eli can sleep on the rollaway bed.

Raffaele: Alright.

Francesco: Is it ok?

Raffaele: Because...

Francesco: I explained to Eli already that this possibility was an option and she hasn't objected at all obviously. Anyway, I wanted your consent otherwise I have to ... when I need to book my hotel, I would have to book a ... a place to sleep for her as well. Do you understand?

Raffaele: I understand.

Francesco: Is it alright?

Raffaele: It's alright. Ok.

Francesco: you will remember that we will need to leave on Friday, the two of us will need to leave Friday to go to Padova?

Raffaele: Yes, you told me.

Francesco: To Abano, actually, to be exact. Got it.

Raffaele: mhm.

Francesco: So, what did you eat today?

Raffaele: rice with tuna.

Francesco: Did you go to pick up the money?

Raffaele: not yet, dad, I told you, that.. that I have to go...should I go to pick it up at lunch time?

Francesco: no, go..well.. the Post Office opens at three-thirty.

Raffaele: Alright, I go now. Now there is...there is the cleaning lady to clean up.

Francesco: ah, the cleaning lady arrived to clean?

Raffaele: yes, yes.

Francesco: Ok, alright, alright. Otherwise all is well?

Raffaele: yes, yes, everything ok.

Francesco: Oh, these days don't go around with the small knife in your pocket you, eh.

Raffaele: why?

Francesco: Because if the police should see it, etc., they'll start to bust your balls (meaning: they'll start giving you a hard time)

Raffaele: ah.

Francesco: eh.

Raffaele: Alright, but no, they didn't take it from me during the three days I was at the Police Station.

Francesco: It's because they didn't noticed you had it, but you cannot take that along with you as you normally do, you know, legally speaking? So, in a mess such as that, in which unfortunately you found yourself in, it would be preferable that you don't create further problems for yourself.

Raffaele: wait a minute, dad.

Francesco: eh?

Raffaele: wait a second. Hello?

Francesco: hello?

Raffaele: eh?

Francesco: Do you understand? Did you hear, better still?

Raffaele: yes, yes.

Francesco: sounds good. Will talk tonight, bye to dad.

Raffaele: yes.

Raffaele: yes, they were roommates, one room next to the other.

Guido: So, was it you who arrived there, at the place, first?

Raffaele: yes.

Guido: and what time was it?

Raffaele: early in the morning.

(voices in the background)

Guido: holy cow, oh! Mamma mia, you lived through a horrible thing, but have you seen the body, everything?

Raffaele: I got a glimpse but...

Guido: are you wiped out?

Raffaele: what I saw I left... I left it... that is, I moved away.

Guido: you're devastated, I mean morally.

Raffaele: well, yes, enough, in the sense that I... am rather stressed, they kept me there at the Police Station for three whole days, I feel a bit... down.

Guido: holy, holy cow, I can imagine, of course. But, is there any information, is there any information, friendships, various things?

Raffaele: how, in what sense friendships?

Guido: alright, alright, you will then talk to me face to face, you cannot talk about things...

Raffaele: no, we are... my girlfriend and I are shopping.

Guido: ah, ah, ok. Listen...

Raffaele: While I was talking to you I was also choosing what to buy.

Guido: isn't there a place...

Raffaele: at the moment, that is in the room... that is, in my house there's myself, my girlfriend and my cousin will also come.

Guido: well, of course, no, no, I know, maybe if I manage I... Anyway it's enough that... now... now that you told me, now that I know it, if I can I will organize myself, I will find something small, I will talk to Elisa and will organize myself with something small and if I can I will come with ple...

Raffaele: Listen, if you come it will make me happy, then, let me know so that...

Guido: of course, sure.

Raffaele: you know, because I book... I book the place where...

Guido: where to have lunch after?

Raffaele: where to go to eat, therefore... eh...

Guido: you bet, for sure.

(Overlap of voices)

Raffaele: one needs to know the number of people.

Guido: brilliant, brilliant. Yes, yes, I will let you... I will let you know shortly, if I manage to organize myself, because Friday I will then have to leave for... for Madrid and...

Raffaele: ah, and what are you going to Madrid for?

Guido: eh, practically I always go for... for work, there's an exhibition, an exhibition in Spain very similar to the ones I attended in Rome and Milan and that I will also do in Bari.

Raffaele: mhm.

Guido: I told you I come to Bari on the 23rd, 24th of November.

Raffaele: I understand.

Guido: at the Fiera del Levante for the kids. And, there, so I go...I go there to Madrid and leave on the 16th, so if I come to your Grad I need to be able to .. to coordinate these two things.

Raffaele: I understand.

Guido: listen, instead when I come to Bari do you have a place for me to sleep?

Raffaele: when are you coming to Bari?

Guido: on the 22nd...23rd, 23rd, Friday November 23rd.

Raffaele: yes, yes, I will be home. Come to my place.

Guido: what do you mean you're at home? Eh?

Raffaele: Come to my place. I will be in Bari, come to my home.

Guido: but are you sure, will I not disturb you?

Raffaele: no, what... I am alone and I have a 190 square meter home, why the heck would you disturb...

Guido: alright, if you put it this way I will also bring you a couple of ladies.

Raffaele: no, it's ok, I don't like to create problems.

Guido: *(laughing)* I will bring you the ladies, c'mon.

(they laugh)

Guido: alright, alright, we'll talk about it later, c'mon.

Raffaele: ok

Guido: alright, I will accept the invitation then, eh.

Raffaele: yes.

Guido: listen, then...

Raffaele: In case we will talk again after Graduation.

Guido: I will call you... no, I will let...eh, I will let you know if I can make it...if I can make it to the Grad, of course.

Raffaele: mhm, ok.

Guido: listen, and there's another thing I need to ask you.

Raffaele: tell me.

Guido: would you give me Diana's number of... the Spanish one? Her number in Spain?

Raffaele: of Spain? But she is now in Italy.

Guido: where... where in Italy?

Raffaele: she's in Padova, didn't she tell you anything?

Guido: no, we haven't talked to each other, I don't know a damn thing. Ah, give me the Spanish number of Padova.

Raffaele: eh, the number.. yes, the Italian number of Padova I give you, wait. Wait a second.

Guido: yes yes.

(Voices in the background)

Raffaele: so, Guido?

Guido: yes, tell me.

Raffaele: 8... 388.

Guido: so 388?

Raffaele: yes.

Raffaele: 16.

Guido: yes.

Raffaele: 86.

Guido: 86.

Raffaele: 742.

Guido: 742.

Raffaele: ah.

Guido: alright then, now I will try to call her, but Maid (sic) where is she?

Raffaele: Maid is in Spain.

Guido: Does she live in Madrid?

Raffaele: yes, in Anques (sic)

Guido: In Anques, I understand, I understand. Alright then, brilliant, now... now I call her. Well, as for the rest, about you, how are you? Since when is it that she transferred to Padova... now I call her. Alright, alright, listen Raffa...

Raffaele: tell me.

Guido: nothing, I will then let you know if I come...you, how are you, after this absurd thing? But you, did you know her, did you know this girl?

Raffaele: yes, yes, I knew her.

Guido: holy cow, oh! Alright, let's hope it will solve itself, that is but your girlfriend is then sleeping...

(overlap of voices)

Raffaele: and what needs to solve itself? They have to find the guilty person, let's hope.

Guido: eh, find the guilty person. but your...your girlfriend where does she sleep then?

Raffaele: at my place.

Guido: Madonna! Where you afraid, yes?

Raffaele: of course!

Guido: and yes, holy shit! Alright, c'mon, you will then tell me later.

Raffaele: ok.

Guido: I will then let you know if I can make it, I will try to organize myself because I will need to leave for... for Madrid the day after. I see... your Grad is in the morning, right?

Raffaele: yes.

Guido: then I will try to come the day before, then I can be there in the morning and I will leave in the afternoon.

Raffaele: ok

Guido: c'mon, c'mon, then I.. we'll talk... I will let you know one of these days and I'm very sorry for the serious matter, of course. A hug, Raffa, a big hug, see you soon, ciao.

Raffaele: ciao, ciao. Ciao, ciao.
